Launching SCNext Jordan...

"The SCNext chapter in Jordan aims to create opportunities for students and young SCM professionals for professional development, access to finance, and integration with the industry. I look forward for GJU students and graduates to benefit from all it has to offer."

Eng. Alia Gharaibeh
VP SCNext Jordan

SCNext Jordan team

The introduction of SCNext Jo was held in May, as part of the Career's day, in which the university offers as an opportunity for students to search their options, and enhance their standpoint in terms of career and activity options. SCNext participated and held both a booth and a launch session.

Dean and Vice Dean of Management and Logistics Science School, and Management Department head visiting SCNext Booth.

SCNext Competition

PARTICIPANTS HAD FORMULATED THEIR OWN LOGISTICS PHRASE AND IT SAYS: **"LET'S TALK LOGISTICS"**

SOCIAL MEDIA COMPETITION

To increase awareness among the public and to create a buzz. The team held a social media competition to support its marketing campaign.

Random interested student groups, participated taking their own pictures "SELFIES" and creatively put together a scrambled phrase!

SCNEXT Registration Booth

SCNext Jordan held an information and registration booth to introduce students and potential members with the benefits and activities of SCNext. The booth attracted the attention of many careers days attendees who were eager to fill registration forms and attend the launch session.

Notable visitors to the booth include the President of the GJU, the Dean of Management and Logistics Sciences School Dr. Loay Salheih, Vice Dean Dr. Bana Abu Zayed, and Management Department Head Dr. Ghazi Samawi along with many academic faculty members who applauded the launch.

SCNext Jordan Launch Session

SCNext launching in Jordan was held on university premises as part of the career's day activities on 12th May 2014. The launch session was attended by more than 50 students. The SCNext was able to introduce the SCNext, its benefits, and its activities.

The launch included a presentation and a question and answer session and was attended by the HR and Operations team of DHL who emphasised the importance of such activities in bridging the gap between the industry and education.
